

Traffic Pattern for Drop-Off and Pick-Up

Please read this document carefully! Following these procedures will ensure that all of our students stay safe during drop-off and pick-up times. Please share this information with anyone that may be providing transportation for your child. Reference the map on the back of this page. **Note a complete loop must be done in order to get traffic off of Water Street.**

- The parking lot will be used only for drop-off during the hours of 7:30 AM – 8:30 AM, and for pick-up from 2:00 PM – 3:00 PM. If there is a delay or early dismissal, please adjust those times accordingly. **Please do not park in the lot during these time periods.**
 - The **exception** to this will be **school personnel** that will be arriving and parking for the day and will not be pulling back out into the moving traffic pattern.
- If you need to walk your student to or from the school, please park in the church parking lot and walk him/her across the street.
 - This should keep the flow of drop-off and pick-up running smoother and keep the students safe from cars pulling out of parking spaces.
- **IMPORTANT...**When dropping off and picking up, **DO NOT JUMP THE LINE.** Please wait patiently until the vehicle(s) ahead of you move. Students often use the door behind the driver seat, and passing a vehicle that is in front of you (without being signaled to do so by school personnel) could put a child at risk of getting hit.
