

## **LHCS PTO Fall Mum Fundraiser**

For many years Rizzo's Greenhouse and Flower Shop has been our source for our beautiful mums fundraiser. This year, Rizzo's has asked us for a break so they can focus on their family, friends and business. There are no words to express the amazing gratitude LHCS has for the Rizzo family and all of their support for the LHCS over all the years and fundraising events.

This year, the LHCS will be selling mums (both potted and hanging) through Helminiaks's Greenhouse. We hope that this fundraiser will continue to be a huge success to help PTO continue to support the needs of the school, teachers and students.
