Greetings from Lock Haven Catholic School,

Do you remember where you were twenty years ago? Ten years ago? How about five years ago? Do you remember participating in the LHCS Race for Education on the dike levee? Remember writing letters asking for donations from family and friends? Believe it or not, it has been **20 years** since the very first **Race for Education!**

On **Friday, April 30, 2021**, Lock Haven Catholic School will be having its **20th annual Race for Education** to raise funds so we can continue to provide a quality Catholic education in our community. Past races have supported important programs in technology and the arts. New lighting fixtures throughout the school, window shades, flooring, heating and air conditioning, and a school security system have all been purchased with **Race** funds. This year's donations will continue to contribute to our ever-growing and expanding school, making improvements to the physical and academic environment for our students.

Many changes have taken place here at LHCS since you left, all thanks to funds raised during the **Race for Education**. We really hope you will be able to help us celebrate our **20th Anniversary Race** by making a small donation of just **\$20**. This will help us reach our school goal of \$25,000.

Our entire school community is grateful for your support!
