

Health and Safety Plan Summary: Lock Haven Catholic School

Initial Effective Date: August 18, 2021

Date of Last Review: August 17, 2021

Date of Last Revision:

How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?

1. How will the LEA ensure continuity of services, including but not limited to services to address the students' academic needs, and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?

2. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.

ARP ESSER Requirement	Strategies, Policies, and Procedures
a. Universal and correct wearing of masks ;	Mask wearing at LHCS will be optional. There may be times when state, Diocese of Altoona-Johnstown, or school officials may require mask wearing be made mandatory for a period of time. Examples of this might be: <ul style="list-style-type: none"> • Increased positive COVID cases in the county and/or state • After traveling • Illness of a family member
b. Modifying facilities to allow for physical distancing (e.g., use of cohorts/podding);	Maximum number of students in a classroom will be 25. Spacing of students in classrooms and cafeteria will be done to the maximum amount feasible. Outdoor space will be used when weather permits.
c. Handwashing and respiratory etiquette ;	Students will be reminded by teachers and through announcements about appropriate hygiene including

	handwashing, covering coughs and sneezes, social distancing, etc.
d. Cleaning and maintaining healthy facilities, including improving ventilation ;	Classrooms will be cleaned and disinfected daily. Teachers will have access to sanitizing spray and wipes that they can use throughout the day. Hand sanitizing stations will be located throughout the building and classrooms. UV lamps will be used in classrooms and spaces as needed. HVAC system filters will be maintained on a schedule that is created and followed by an outside contractor, to help with air quality throughout the building.
e. Contact tracing in combination with isolation and quarantine , in collaboration with the State and local health departments;	LHCS, with support from the Diocese of Altoona-Johnstown, will comply with the quarantine and isolations orders as directed by the PA Department of Health (DOH).
f. Diagnostic and screening testing;	Families and the staff will be reminded regularly about monitoring for COVID-19 symptoms and staying home when necessary. Throughout the year, LHCS may use daily temperature checks with a non-contact thermometer for a health screening prior to entering the school for the day.
g. Efforts to provide vaccinations to school communities ;	When vaccination information is shared with LHCS, LHCS will then share appropriate information with families.
h. Appropriate accommodations for students with disabilities with respect to health and safety policies; and	LHCS will provide reasonable accommodations, when feasible, to students with disabilities with respect to health and safety strategies.
i. Coordination with state and local health officials.	With support from the Diocese of Altoona-Johnstown, LHCS will coordinate with state and local health officials.
