

WELCOME BACK!

We have been working hard over the summer, getting projects done and making sure everything is ready to go for August 22nd. Some projects that have been happening include:

- ◆ An upgrade to the current Wi-Fi system creating three Wi-Fi networks. This new system when completed will be more stable and allow teachers to utilize classroom technology more efficiently. Thank you to Donna Shank and Scott Alexander for their dedication to this project.
- ◆ PTO has started the work on adding a concrete pad to the playground. The 30 foot by 40 foot pad is being placed in the area where grass is not growing. Students will be able to use the improved space during rainy days and the winter months for recess. PTO has been raising funds in order to make improvements to the playground, and the concrete pad is the first project. We want to thank PTO, as well as Tom Piergallini, Ann Banfill, and Ron and Misty Myers for all their volunteer work on the project. We also want to thank the Independent Catholic Foundation (814-201-2080), www.icfdaj.org, for awarding us a \$500 grant to help with the project.
- ◆ Tom Piergallini, the Building and Grounds Chairperson on School Council, will also be installing a new security camera and monitoring system.

REMINDERS:

Please make sure you read all of the information in the White Envelope and return **completed paperwork** to the school by **August 27th**.

- August 22nd: First Day with dismissal at 11:30
- August 22nd–27th: No KCSD busing
- August 28th: Drive-In & Open House
- September 2nd: No School—Labor Day

Meet Mrs. Walton...

"My husband and I live near my family farm, and we enjoy helping with the animals and the endless work of running a farm. We met because of our passion for missions, and have had opportunities to travel to South America, Africa, and Asia. We love seeing how God is working around the world, and it is exciting to share our experiences from other cultures. I love reading and sharing books with others. A book can take you anywhere in the world!"
