

**May 3rd- 7th**  
**LHCS Color Week: Show Your Colorful Side!**

Dear Parents,

I am pleased to announce that LHCS will be supporting Relay for Life for our May Change for Change! All week, we will focus on raising awareness for different types of cancer. Each day, we will wear a certain colored shirt with uniform bottoms.

**Monday:** Wear pink or red for Multiple Myeloma, Head/Neck Cancer and Breast Cancer.

**Tuesday:** Wear orange or yellow for Leukemia, Appendix Cancer, Childhood Cancer, and Bone Cancer.

**Wednesday:** Wear green or blue for Non Hodgkin's Lymphoma, Gallbladder Cancer, Liver Cancer, Thyroid Cancer, Colon Cancer, and Stomach Cancer.

**Thursday:** Wear purple, black, or white for Hodgkin's Lymphoma, Lung Cancer, Brain Cancer, Carcinoid Cancer, and Melanoma Cancer.

**Friday:** Wear purple or lavender to honor all cancer survivors. Because it is Change for Change, students do not need to wear uniform bottoms.

I asked to do this project because a lot of people I know have had cancer. I want to help stand up and fight it! Please join me in the fight against this disease.

Sincerely,  
Ella Miller

***Did you know, Saint Peregrine is the patron saint of cancer?  
We honor him on May 1st.***
