Freddy Feb 5

Jacob Hau Feb 19

Sawyer Feb 21

Addison Feb 23

Payton O Feb 23

Marshall Feb 24

## Reading Corner

We are at the halfway point of our Superkids reading series. We will begin "More Adventures of the Superkids". This month we continue to work with long vowels and will be introduced to contractions. We are also writing narratives and comparing different texts in grammar. It is important to read and reread stories to increase word recognition and fluency.

## BIG NUMBERS!

In math, we are exploring numbers 0 through 120. By using counters, organizers, tens and ones, we explore place value. We are also learning one more, one less, ten more and ten less of a given number. Adding and subtracting two digit numbers with regrouping will be introduced.

To keep the + and – facts fresh in our minds, we will continue to review basic math facts.
