Catholic Schools Week 1/31 – 2/4

January News...

I hope you had a blessed Christmas and I wish you a happy and healthy New Year! The children will discuss the Epiphany and the Baptism of the Lord, as we complete the Christmas season.

Catholic Schools Week is the last week of the month. Look for more information about special events!

We are approaching the mid-year point and some classroom supplies need replenished. Your child may need new crayons, markers and pencils. A container of Clorox wipes is welcome! Also, be sure to send an extra mask with your child.

January Birthdays

Finnley Jan. 5

Rylee Jan. 26

Half Birthdays

Oliver June 3

Blake June 18

Hanna June 27

Peyton L. July 22

Measure Up!

In chapters 11 & 12 of Math in Focus, we explore and create graphs. We will discuss numbers 1-40 as we compare, add and subtract, and explore place value with ones and tens.

Read, Read, Read!

We are completing our first reader, "Adventures of Superkids" this month. In this book we will focus on swinger brothers (ch, wh, th, ch, tch, ng), long vowel words and plurals with the super e and s and blends. (s+i+ng = sing)
(cake+s = cakes)

Your child now has a good foundation to be able to read and spell words with success. Providing your child opportunity to read more at home will increase your child's vocabulary and improve fluency. I am sure your child has been reading all sorts of traffic signs, cereal boxes, and commercials! Now reading is a natural thing for your child!

Bundle Up!

Crispy, snowy winter days are great days to play outside. Be sure to wear your hats, scarves, and gloves.

Gym Schedule

Remember our
Gym days are
Tuesdays and
Thursdays.
Please wear
sneakers on
gym days.
